

Welcome to Holiday Care at King's School

Dear Parents

Christmas Holiday Care

I am writing to give you the usual information about our holiday care programme.

Please complete and return the attached form by **Wednesday 23rd November 2016**. **After this date, holiday care will be offered to children outside the school.**

All holiday care must be booked in advance and once booked will be charged for in full, regardless of attendance. If you need care for your child that has not been booked, please ring the school and if possible we will accommodate your needs and charge you accordingly. To avoid any disappointment please do not bring your child in without first telephoning the school.

As in term time we need to know if your child is not attending; please telephone by 9.30am to let us know.

When the weather is good and numbers permit, we may wish to take the children out of school to a park or on a trip. If your child attends holiday care we will assume we have your permission to take them out in a hired minibus or on public transport. If you do not give permission, please inform us in writing when you return your holiday care form.

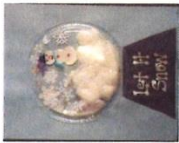

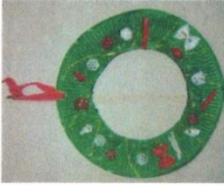

The pupils return to school on Thursday 5th January 2017.

Yours sincerely

Rebecca Blake
School Administrator
