COGNITA

Admissions Policy

September 2020

1 Policy Statement

1.1 We welcome applications for admission from pupils of all backgrounds. This policy applies to all pupils, including those in our Early Years Foundation Stage. We admit pupils with an additional educational need and/or disability provided both parents and school conclude that we can provide appropriately for the child's specific needs.

2 Enquiries

2.1 All enquiries and applications should be made to the Registrar. The Registrar will ensure that you have all the information you need.

3 Visits

3.1 Prospective parents are encouraged to visit to see the school in action and to meet the Head of School. Two Open Mornings are held each year, one in September and one in March. In addition to those we hold monthly "Meet the Head" coffee mornings which provide an opportunity to tour the school on an informal basis and meet with the Head of School. Please contact the Admissions Registrar to arrange this. In addition, parents can be sent a virtual tour or visit after school hours, if circumstances prevent them from attending in person during the school day. The Head of School is always happy to meet prospective parents outside of the school day.

4 Registration

4.1 Following a visit, parents wishing to register their child should complete a Registration Form and return it with a payment for the registration fee. The registration fee covers the cost of administering the registration procedure, including the waiting lists and is non-refundable. Registration is an indication of interest and is not a guarantee of a place.

4.2 The school will respond by confirming that the child's name has been placed on the admission list for the relevant term and year. If the year group is fully subscribed, they will be placed on a waiting list. A place is confirmed once a formal offer has been made by the school and a deposit has been received in return.

5 Admission to Nursery

5.1 Children are welcomed into the Nursery from 8 months. No formal assessment of children is undertaken although parents will be asked about their child's general development and any identified special educational needs prior to a place being offered. Places are not automatic, in some rare cases a place will not be offered if we judge that a child's development is below expectation or that they will not flourish in the environment we offer.

6 Taster Days

6.1 We offer Taster Days from Reception to Year 6 as an opportunity for children to experience a typical school day.

7 Transition from EYFS to Reception

7.1 Transition from Foundation Stage (age 3-4) to Reception (age 4-5) is not automatic. Children are assessed based on an ongoing observation of their learning and development.

8 Transition through Year Groups

8.1 It is anticipated that all pupils will transition through the school and reap the rewards of the education on offer. Should this prove not to be the case, parents will be informed of any concerns at the earliest opportunity and at the latest before the end of the Spring Term if there appears to be any reason why the pupil may be refused a place in the subsequent year groups. In rare cases it may be that a pupil's progress or behaviour means that transfer to the next stage of the school is not deemed appropriate.

9   Admission to Other Year Groups

9.1   Children joining the school do not undertake a formal assessment, although parents will be asked about their child's general development and any identified special educational needs prior to a place being offered. We hope that the pupil will have an exciting and inspiring day and that they will feel welcome and relaxed. It is normal to ask for a report from the pupil's present school/setting and for parents to provide any special reports from outside agencies. Places are not automatic, in some rare cases a place will not be offered if we judge that a child's development is below expectation or that they will not flourish in the environment we offer.

10   Allocation of Places

10.1   In the event that the number of children registered for any year group exceeds the places available, the following procedure will be applied:
- Siblings attending King's School at the time of admission
- Age of child in relation to cohort
- Date of registration
- For a child entering the Nursery, a child requiring a full time place will be given priority over a children requesting a part time place, provided sufficient sessions are available.

11   Offer

11.1   The parents of each applicant will be informed within two weeks of their application whether a place is available. The school will not be obliged to state its reasons for declining a request for admission.

12   Waiting List

12.1   If no place is available, parents may place their child's name on the waiting list for the school. The school cannot guarantee when a place may become available.

13   Appeal

13.1   There is no appeal process for admission to the school. The decision of the Headteacher is final.

14   False Information

14.1   Where the school has made an offer of a place on the basis of a fraudulent or intentionally misleading application, which has effectively denied a place to a child with a stronger claim, the offer of a place will be withdrawn.

15   Overseas Pupils/Pupils with English as an Additional Language

15.1   We welcome pupils from a wide variety of cultural backgrounds, including overseas pupils and those with English as an additional language (EAL). Children entering the School must have an appropriate working knowledge of English and parents must be committed to supporting further English study at their cost, if necessary.

15.2   Overseas pupils are required to have a guardian who is resident in the UK and who can act on behalf of the parents, if required.

16   Equality

16.1   The school pays due regard to the Equality Act 2010 and reasonable adjustments are made for pupils with special educational needs and/or disabilities.

16.2 Subject to our entry requirements being met, we welcome pupils with special educational needs or physical disabilities. We advise parents of children with special educational needs and/or physical disabilities to discuss their child's requirements with the school before registering for a place. This will enable the school to determine whether the school can make reasonable adjustments to ensure that the child can flourish as a learner. Where necessary, parents will be asked to provide a copy of an Educational Psychologist's report or a medical report and the school may need to discuss provision with external agencies. The cost of such reports is the responsibility of the parent. Where specific provision is required, parents may be asked to pay an additional charge to meet these needs (staffing and/or resources). In some cases, the school may receive funding from the local authority to provide additional support.

17   Admissions Register
17.1 The school maintains an Admissions Register in line with regulatory requirements. See Admission, Attendance and Children Missing from Education Policy for further detail of statutory requirements.
